CASH SUBSCRIPTION FORM

Use this form if you prefer to pay with cash. We have found this method very reliable however you are sending cash in the mail entirely at your own risk. It usually takes between 1 and 3 weeks to arrive and we process it and create your account the same day it's received.

Please DO NOT send postal orders or checks, as we cannot cash those. And do not send coins!

Circle your preferred plan and currency. You may choose more than one if you include enough cash:

It can take 3 weeks for mail to reach us. If you haven't heard from us after 3 weeks, check your junk mail folder, then email cso@feck-service.com and we will check to see whether yours is in the "we can't read your writing" pile. Better still, just write clearly in capital letters and there shouldn't be a problem! :)
